

Board Director (NFP) Expression of Interest

Here's how you can make a real difference for people with disability or disadvantage at a strategic level:

Access Australia Group has been supporting a range of people through targeted education, employment and community programs since 1992.

At Access Australia Group we believe everyone has a vital contribution to make to the social and economic life of the wider community. To do so, everyone needs opportunities that encourage social and economic involvement. We work with all sectors of our community to develop these opportunities.

Access Australia Group employs over 200 staff who work within our four key divisions.

We are seeking experienced industry or community leaders who are passionate about our purpose and with expertise in our sector, to join the volunteer Board of Directors as non-executive directors.

To be effective in this role you'll be a community leader with the skills, experience and knowledge to build key networks within identified areas of the business and industry, and proven success in working at a senior or board level.

Does this describe you?

- A knowledge and understanding of the obligations of a company director.
- Expertise in the Disability/VET Sector.
- The ability to liaise with key stakeholders in promoting opportunities for people with disability.
- Superior communication and effective meeting skills
- Ability to operate strategically and engage stakeholders.

If so, then please forward your Expression of Interest to the email address below by COB Friday 30th August 2019.
