Who are Access Employment Enterprises (AEE)?

A social enterprise division of Access Australia Group, a not-for-profit organisation that has been in operation in Bendigo for over 28 years.

What does that mean?

When you engage AEE for a service/s every dollar made supports AAG to continue to employ and create opportunities for people with disability and/or disadvantage within our community.

AEE offer competitive pricing;

AEE are reliable – on time, every time; and are committed – we work with you to provide the best solution to your business.

Access Australia Group's Vision is:

'Employment for people living with disability or disadvantage'

The Purpose of Access Australia Group is to:

'Provide meaningful participation, training and employment opportunities for people living with disability or disadvantage'

At Access Australia Group we believe everyone has a vital contribution to make to the social and economic fabric of the wider community. To do so, everyone needs opportunities that encourage social and economic involvement. AAG's service divisions weave together to create an integrated organisation that focuses on providing training, education, vocational support, employment, community access, social inclusion and activities that promote physical, mental and emotional well-being to people experiencing disadvantage or disability.

AAG operates three successful social enterprises employing more than 100 people with disability; and growing! We have built a workforce that is varied to meet our staff abilities and the demands of the sector.

AAG is a not-for-profit company limited by guarantee, with existing governance and management structures; policies and procedures; and risk, incident and reporting systems in place. We are fully accredited in quality and legislative compliance. We provide quality services overseen by trained staff within all service provision ensuring customers receive quality outcomes, services and products.

AAG continually strive to offer quality service across all divisions, progressively moving forward with innovative responses to the changing environment and community needs.

AAG's goals are to be a provider of choice; an employer of choice; a partner of choice and; deliver best practice planning and evidence-based decision making.

AAG value inclusivity, integrity and respect, building strong partnerships and collaborations to offer services and opportunities that make a positive difference to individuals, their families and the community.

Car wash and detailing service

AAE provide a car wash and detailing cleaning service, catering for organisational fleets and personal vehicles. Our professional cleaning service ensures cars are thoroughly washed and cleaned inside and out. You can arrange to drop off your car or have it picked up from your business or home for your convenience, or you can drop it in to us and enjoy a delicious lunch and stroll around PepperGreen Farm; with your car being cleaned while you relax and soak up the atmosphere.

Gardens and grounds maintenance service

AEE employ highly skilled staff to service and maintain your garden for both businesses, personal homes and vacant sites can be accommodated. Our crews will mow (both push mowing and ride-on options), brush cut, prune, remove rubbish and weed leaving your garden looking amazing. Our Garden Crews consist of teams of supported employees guided by our trained supervisors. Our jobs are charged at competitive hourly rates and the finished product will leave you with peace of mind, and in admiration of your garden.

Wicking Beds

AEE make a range of sturdy wicking beds for organisations, community groups, schools and individuals made to suit the purchasers needs. Wicking beds are a unique and sustainable way of growing your own fresh fruits, vegetables and herbs or add beautiful colour to your garden and don't require bending down to maintain. As a mobile garden bed, they are perfect for small spaces or rental properties - you can simply take them with you.

Hand made up-cycled furniture and restoration

AEE employ qualified practitioners with skills in the building and welding trades. Our supervisors mentor our supported employees and apprentices to create one off custom made furniture products from recycled woods, metals and material. Our staff create exceptional pieces based on our clients designs and can work on small to large orders for businesses and private customers. AEE staff are dedicated to working with you to create the right design and perfect piece.

Tables and outdoor furniture

Our highly professional and qualified staff have many years of experience building outdoor and indoor tables and furniture. Our staff guide our Apprentices and supported employees to construct tailor made items built from recycled timbers and metals sourced through our extensive network of industry partners.

We can build pieces to match customers desired designs from the modernist retro 60's styles through to more contemporary and rustic settings.

Specialty made furniture for your business

Our highly experienced staff offer a one to one consultation service to design and build a range of specialty made furniture and additional pieces for your business, office or home, we offer specialty made arrangements and ensembles for any customer, including restaurants, cafes, and demonstration displays. We work with you closely to plan out a thoughtful and considered tailor made design to create the best pieces that will add a perfect fit to suit the intended environment, adding a beautiful layer of recycled woods and metals to enhance any setting.

Seats, coffee tables and custom pieces made to order

Our team offer a range of tailored made furniture options including one off chair designs, through to larger projects for businesses. Our wide ranging experience offers a unique scope of potential pieces we can create for you. We work intimately with each customer to design the specific pieces required to create a set of well-made and hand crafted individual furniture items that will bring your setting alive with character and charm, built from ethically sourced hard woods, and quality metals to produce, what will be a show stopping custom made piece.

Packaging Services

AEE has a range of contracts managing products for packing. We cater to large and small jobs, outdoor and indoor items. We can do large scale packaging or small one off projects. Simply drop off your job and we can sort the rest.

Our team also offer delivery services, folding of paper materials and preparing mail outs.

Hand Made Crafts and Mosaics

AEE employ staff who work professionally and passionately on a wide variety of handmade craft and mosaic artistry pieces including, but not limited to, bunting accessories, children's toys, Christmas trees, giant outdoor jenga games. Special orders are taken for individual custom made items. Tell us your ideas and we'll do our best to help create your desired piece.

Light Manufacturing and Assembly

AEE caters for small to large scale projects. We accommodate jobs from many sectors, including food manufacturing, healthcare packaging labelling, construction products and so much more.

Our satisfied customer base can attest to our skills, efficiency and productivity. If you have a job that is time consuming, taking time from your core business - give us a call. We can work with you to discuss solutions for your business and provide a no-obligation quote for your consideration.

SPECIAL Projects

AAE and PepperGreen Farm are all about land conservation and sustainability. Delighted to fill a contract requiring nesting boxes for birds and marsupials, when we receive back images such as this!
