

Craft apparel items made by Access Employment Enterprises

'Employment for people living with disability or disadvantage'

Access Employment Enterprises (AEE) is a social enterprise division of Access Australia Group who have been operating locally for over 28 years. Profits made by AEE are reinvested into supporting the social enterprise to employ people with disability.

Our Employment Enterprise creative manufacturing team are employed to produce a range of artistry products for Peppergreen Farm Café, online, customised requests and for contract orders for small to large operations.

We make to order requested items including bedding, support apparel, masks, aprons, table wear, and assorted linen and laundry products.

We also offer an assortment of different sized material string drawn bags which are great for laundry, school and library bags, to carry footwear and other items as needed. These bags are light, stylish and come in many shapes, colours and sizes to suit the appearance you're looking for.

With a range of hospitality and outdoor aprons to choose on offer, we can also custom make to suit the clients desired style and need, as well as pillow cases and a range of covers for various foam body supports.

Our products are handmade to a high standard by our professional team. Contact us for a quote on the item or job you require and our experienced staff will take care of your crafting apparel needs.
